

## **PTSA Corner:**

**The 10/20 PTSA business meeting is cancelled due to scheduling conflicts.** Updates will continue to be posted daily in the PTSA Corner. If you do have any concerns, please direct those to [marlene.fumia@hotmail.com](mailto:marlene.fumia@hotmail.com) and they will be addressed immediately.

**National Bullying Prevention Month**, and Greece Athena Middle School and the PTSA are supporting this initiative via awareness and a shared vision for bullying prevention. *"Everyone has the right to be respected and the responsibility to respect others."*

Currently the Counselors will continue their work on educating our kids and increasing their awareness on bullying and prevention. PTSA will support presentations like the one Ron Bachman did on 9/27 and we will continue to provide lessons and workshops throughout the school year focusing on awareness and prevention. Please bring any concerns you have to the attention of Mr. Sean McCabe, Principal. Mr. McCabe can be reached at 585-966-8867 or email at [SeanPatrick.McCabe@greece.k12.ny.us](mailto:SeanPatrick.McCabe@greece.k12.ny.us). It is my hope that as a community, we can speak up and stand up for what our children deserve. Again, if you have any concerns regarding this, or any other aspect affecting your children's scholastic success, please contact Mr. McCabe at 585-966-8867.
