What is the PTA position regarding budget cuts? Should we be putting something out? (I don't know if we answered this question or what the decision was)

Missy will put in email that the grants/all night party checks will be available at the Jan meeting.

Missy to contact LR and ATMS as NO membership payments have been sent in yet for current year. Council will be holding grants until payment made. First payment was due Nov 1.

Gary will email Darlene Colby to get payment slips for each unit to make more membership payments.
